21 mm

WIDTH OF STRAP TO GO ACROSS BLASTER HANDLE TO KEEP IT IN THE HOLSTER

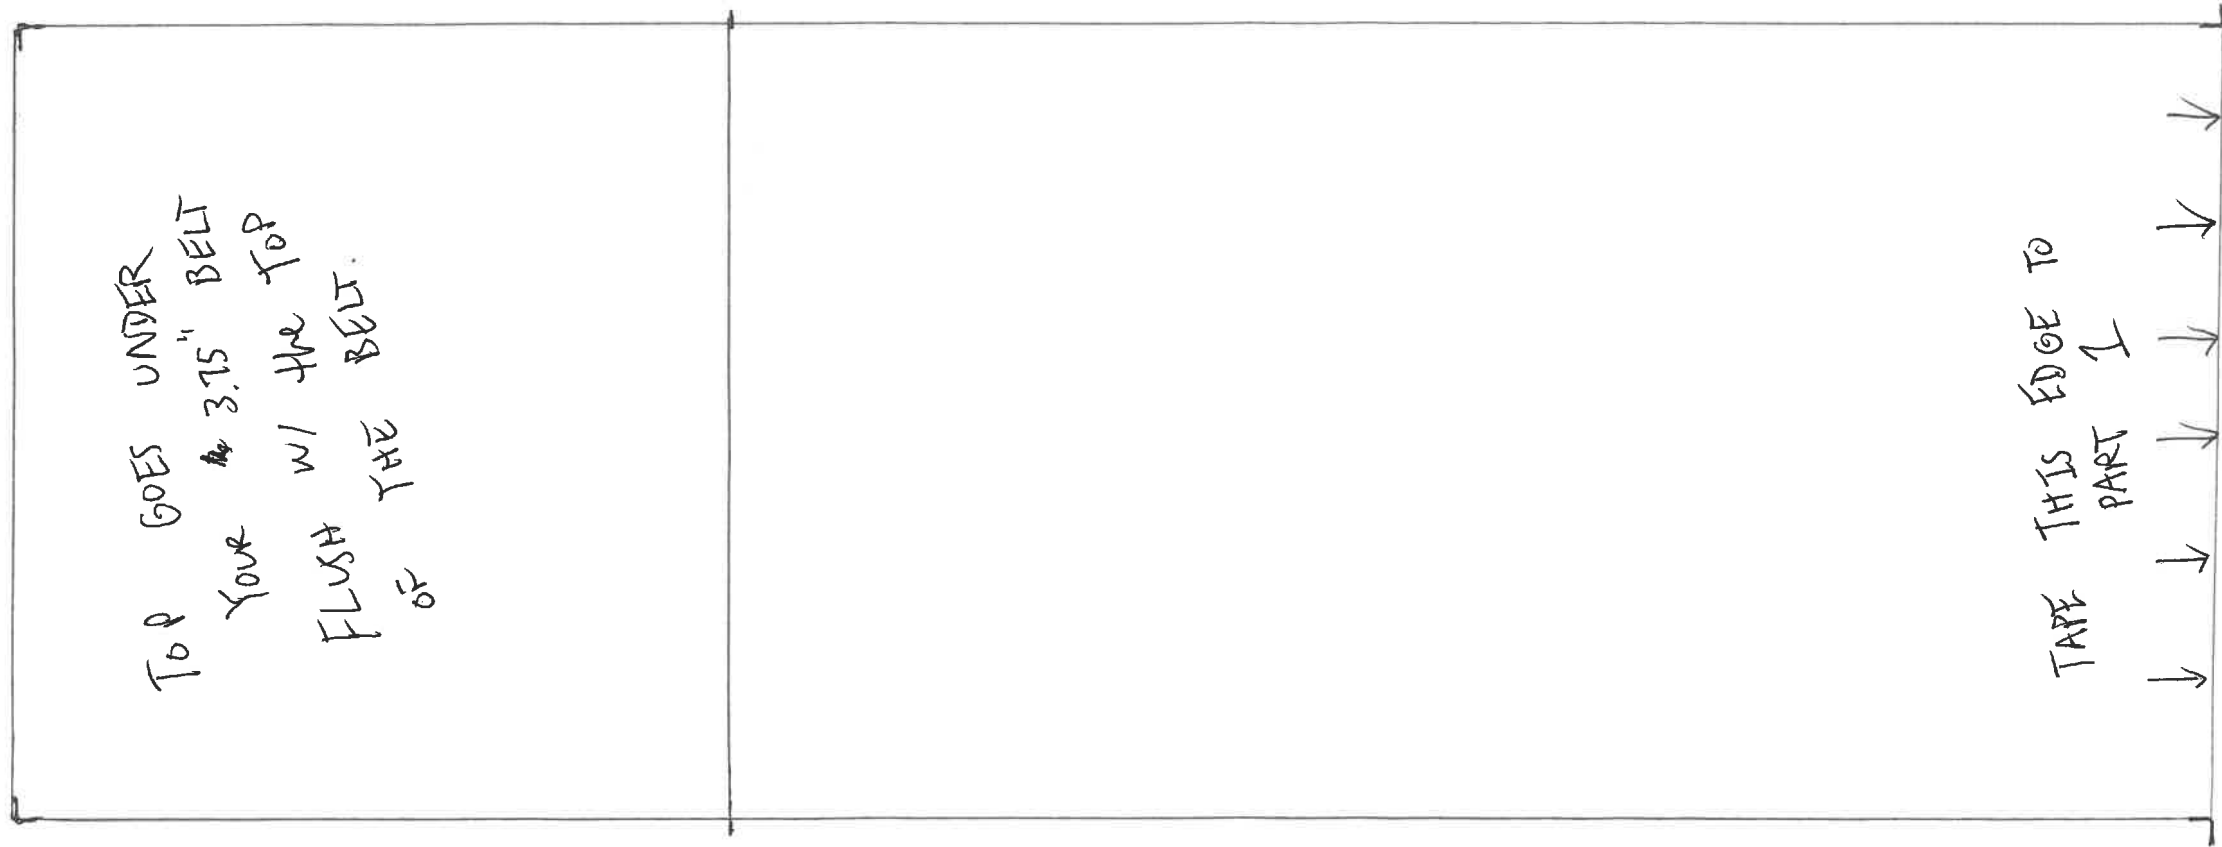

make this as long as you need it.

# HOLSTER DROP (PATTERN 1 OF 2)

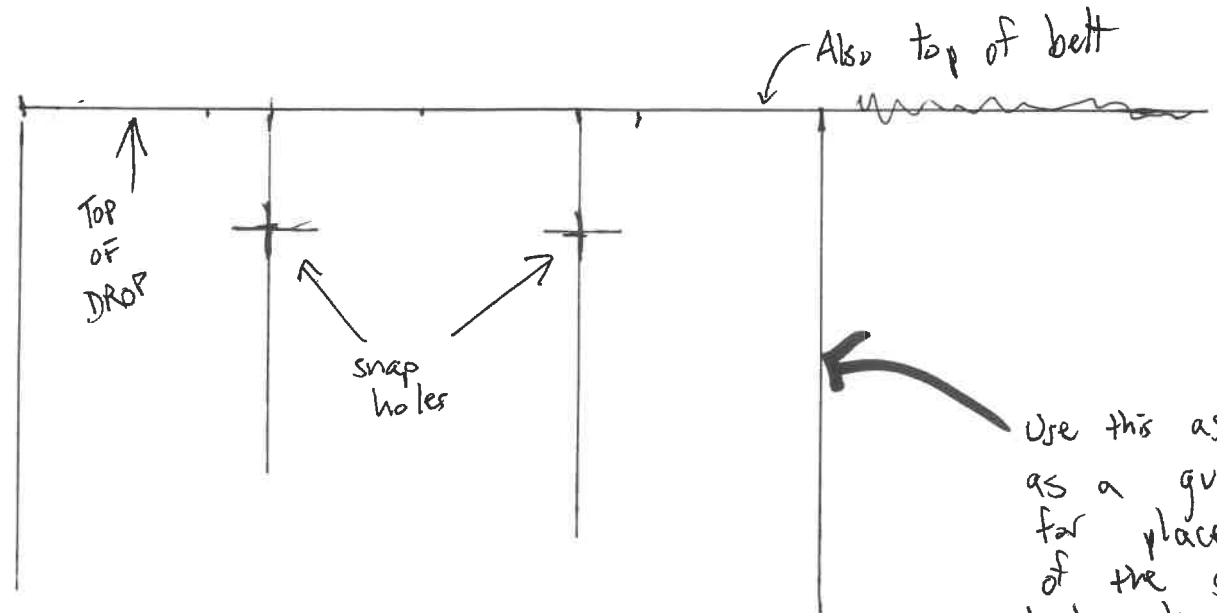

## CBPD OFFICER

- 6 to 7 oz leather
- painted w/ a gloss white

# HOLSTER DROP (PATTERN 2 OF 2)

## CBPD OFFICER

- Use black, 15mm Snaps

NOTE: The total length after taping both pieces together is going to be WAY long! I would cut it to this length, slide this under your 3.75" belt, and slide it up & down until you find the place for you where you can still pull the gun, BUT ~~it~~ it falls under your jacket bottom.
